

## Talk About Cards

Literacy for young children begins with speaking and listening to words and sentences. Research shows that oral language is the foundation of learning to read and write. For children to become literate, they need to hear language spoken around them. They need to speak it themselves. The talk about cards will provide an opportunity to motivate children to talk on various topics.

# PLANTING PROCESS

What time do you  
get up on Mondays?

Do you have a  
shower or a bath?

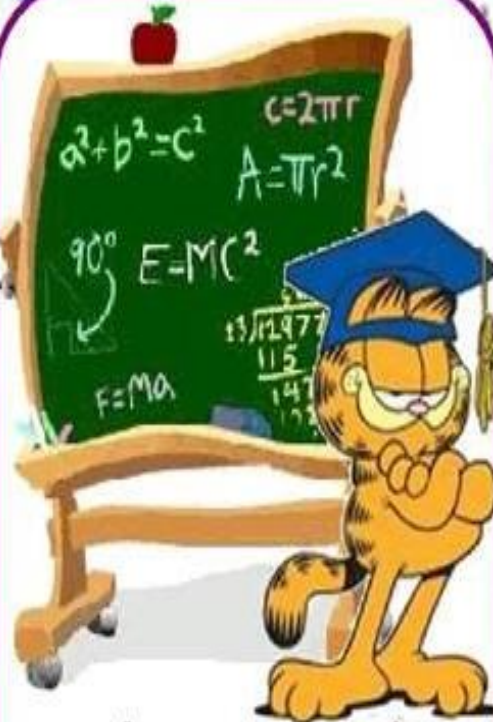

How many times do you  
brush your teeth daily?

What do you have  
for breakfast?

What time do  
you start school?  
And finish?

How do you  
go to school?

How long does it usually  
take you to finish  
your homework?

What time do you  
get dressed?

Where do you  
have lunch?
